

CYCLE 2: TERM 1:

ALL ABOUT ME AND MY FAMILY STORY (SCIENCE, HISTORY, ART and RELIGIOUS EDUCATION)

(Code-)

	Sensory Pathway		Communication Pathway		Core Pathway	
EYFS	English	Introduce core books for the year Non-fiction: labels	English	Introduce core books for the year Non-fiction: labels & lists	English	Introduce core books for the year Non-fiction: labels & lists
	Maths	Exploring Big and Small : Comparing sizes using sensory props (e.g., big and small balls).	Maths	Number Recognition Place Value	Maths	Number Recognition Place Value
	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	React to sensory items representing emotions (e.g., soft for calm, rough for upset).	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Match simple emotion symbols (e.g., happy/sad faces) to tactile props.	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Recognize basic emotions through visuals and sensory play.
	RSE Healthy Relationships & Family Life	Who is in our family? Recognising familiar people.	RSE Healthy Relationships & Family Life	Who is in our family? Recognising familiar people.	RSE Healthy Relationships & Family Life	Who is in our family? Recognising familiar people.
	P.E	Balance and Coordination : Engaging in crawling, rolling, and gentle partner activities.	P.E	Ball Skills : Throwing and catching with control.	P.E	Tag and Relay Games : Building speed, spatial awareness, and reaction skills.
	History Recognising Family Faces	Begin to recognize people who are familiar to them.	History Who is in My Family?	Recognize that families can look different.	History Recognising People Who Care for Me	Recognize and name key family members and staff using visuals, photos, or symbols. Begin to explore personal history by identifying themselves in pictures.

	Science Sorting Hard and Soft Objects	Recognize different textures.	Science Sorting Everyday Objects	Identify familiar items.	Science Sorting Materials by Hardness	Recognize soft vs. hard materials.
	Art Claude Monet (Soft Blurred Faces)	Experiencing soft, blended colours: Explore soft pastels, gentle brushstrokes.	Art Pablo Picasso (Cubist Faces)	Exploring shapes in portraits: Create simple face collages using big, cut-out shapes.	Art Giuseppe Arcimboldo (Fruit Face Portraits)	Creating faces with objects: Arrange fruit images into a face collage.
	Computing Recognising Digital Devices & Their Uses	Exploring basic sensory devices (light-up buttons, vibrating objects, switch toys).	Computing Recognising Digital Devices & Their Uses	Recognising digital devices in real life (phones, tablets).	Computing Recognising Digital Devices & Their Uses	Recognising devices we use in everyday life.
	Religious Education Christianity - Creation & Harvest	Exploring different food textures from harvest offerings (grain, fruit, bread).	Religious Education Christianity - Creation & Harvest	Recognising symbols of harvest (wheat, fruit, corn).	Religious Education Christianity - Creation & Harvest	Understanding why Christians celebrate harvest.
	Key events / trips	-	Key events / trips	-	Key events / trips	
KEY STAGE 1	English	Introduce core books and key poetry for the year Non-fiction: labels & lists	English	Introduce core books and key poetry for the year Non-fiction: labels & list	English	Introduce core books and key poetry for the year Non-fiction: labels, list & captions
	Maths	Exploring Big and Small: Comparing sizes using sensory props (e.g., big and small balls).	Maths	Number Recognition Place Value	Maths	Number Recognition Place Value
	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Use textured props like squeeze balls to represent emotions (e.g., smooth = happy).	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Begin identifying feelings using pictures or gestures.	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Associate behaviours with feelings (e.g., hitting = sad).
	RSE Healthy Relationships & Family Life	Who is in our family? Recognising familiar people.	RSE Healthy Relationships & Family Life	Who is in our family? Recognising familiar people.	RSE Healthy Relationships & Family Life	Who is in our family? Recognising familiar people.

	P.E	Balance and Coordination: Engaging in crawling, rolling, and gentle partner activities.	P.E	Ball Skills: Throwing and catching with control.	P.E	Tag and Relay Games: Building speed, spatial awareness, and reaction skills.
	History	Exploring Personal Belongings Begin to recognize that different people have different objects. Familiar household sounds like a doorbell.	History My Family Tree	Identify how people in a family are connected.	History How Families Celebrate Together	Identify and describe family routines and traditions (e.g., birthdays, holidays). Begin to recognize differences between their own life and the lives of older family members.
	Science	Grouping Objects by Shape or Colour: Recognize simple sorting rules.	Science Sorting Objects by Colour and Shape	Recognize simple sorting rules.	Science Grouping Objects by What They're Made Of	Identify objects made of different materials.
	Art Jean Dubuffet (Textured Faces)	Exploring different textures: Use different materials to create textured marks.	Art Paul Klee (Simple Abstract Faces)	Recognising different facial expressions: Use basic shapes to form faces in bright colours.	Art Amedeo Modigliani (Elongated Portraits)	Exploring stylized proportions: Draw simple face shapes with long necks and features.
	Computing Recognising Digital Devices & Their Uses	Pressing simple buttons on a tablet to see different responses (sound, light).	Computing Recognising Digital Devices & Their Uses	Understanding the purpose of digital tools (e.g., making pictures, sending messages).	Computing Recognising Digital Devices & Their Uses	Exploring different parts of a computer (keyboard, mouse, touchscreen).
	Religious Education Christianity - Creation & Harvest	Listening to Christian hymns and harvest songs.	Religious Education Christianity - Creation & Harvest	Matching foods to where they grow.	Religious Education Christianity - Creation & Harvest	Exploring creation stories in Christianity and comparing to other faiths.
	Key events / trips		Key events / trips		Key events / trips	

KEY STAGE 2	English	Introduce core books and key poetry for the year Non-fiction: labels	English	Introduce core books and key poetry for the year Non-fiction: labels, lists & captions	English	Introduce core books and key poetry for the year Non-fiction: labels, lists & captions
	Maths	Exploring Big and Small : Comparing sizes using sensory props (e.g., big and small balls).	Maths	Number Recognition Place Value	Maths	Number Recognition Place Value
	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Match sensory props to visuals of emotions (e.g., soft = calm face).	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Use PECS cards or simple phrases to express emotions (e.g., "I feel happy").	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Learn simple strategies for managing emotions (e.g., deep breathing).
	RSE Healthy Relationships & Family Life	What makes a good friend? Different types of families.	RSE Healthy Relationships & Family Life	What makes a good friend? Different types of families.	RSE Healthy Relationships & Family Life	What makes a good friend? Different types of families.
	P.E	Balance and Coordination : Engaging in crawling, rolling, and gentle partner activities.	P.E	Ball Skills : Throwing and catching with control.	P.E	Tag and Relay Games : Building speed, spatial awareness, and reaction skills.
	Foundation subjects History Recognising Different Family Members	Identify familiar people in photos.	History How My Family Has Changed Over Time	Recognize that people change as they grow older.	History Comparing Family Life in the Past and Present	Compare aspects of life in the past with life today through family stories and historical objects (e.g., old vs. new toys, clothes, transport).
	Science	Sorting Materials by Texture : Recognize different material properties.	Science Sorting Objects by Texture	Recognize different material properties.	Science Sorting Animals by Features	Recognize differences between mammals, birds, reptiles, etc.
	Art Yayoi Kusama (Dots and Repeated Patterns)	Exploring repetition and patterns in portraits: Recognize repeated marks and dots.	Art Frida Kahlo (Self-Portraits with Objects)	Exploring personal identity in art : Decorate a self-portrait with cut out images that represent their interests.	Art Jean-Michel Basquiat (Expressive Faces with Symbols)	Using bold lines and symbols in portraits : Explore how symbols can represent emotions and identity.

	Computing Recognising Digital Devices & Their Uses	Matching digital objects (e.g., computer vs. book).	Computing Recognising Digital Devices & Their Uses	Exploring how different devices help us communicate.	Computing Recognising Digital Devices & Their Uses	Identifying different types of technology at home and school.
	Religious Education Christianity - Creation & Harvest	Feeling nature items (wheat, leaves, water) to connect with creation.	Religious Education Christianity - Creation & Harvest	Feeling nature items (wheat, leaves, water) to connect with creation.	Religious Education Christianity - Creation & Harvest	Examining the impact of faith-based environmental action.
	Key events / trips		Key events / trips		Key events / trips	
KEY STAGE 3	English	Introduce core books for the year Non-fiction: labels & lists	English	Introduce core books and key poetry for the year Non-fiction: information, including labels, lists and captions	English	Introduce core books and key poetry for the year Non-fiction: information, including labels, lists and captions
	Maths	Exploring Big and Small: Comparing sizes using sensory props (e.g., big and small balls).	Maths	Number Recognition Place Value	Maths	Number Recognition Place Value
	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Explore cause-and-effect toys linked to feelings.	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Discuss emotions using visuals or sentence starters.	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Reflect on how actions affect emotions.
	RSE Healthy Relationships & Family Life	Healthy vs. unhealthy relationships, friendships.	RSE Healthy Relationships & Family Life	Healthy vs. unhealthy relationships, friendships.	RSE Healthy Relationships & Family Life	Healthy vs. unhealthy relationships, friendships.
	P.E	Balance and Coordination: Engaging in crawling, rolling, and gentle partner activities.	P.E	Ball Skills: Throwing and catching with control.	P.E	Tag and Relay Games: Building speed, spatial awareness, and reaction skills.

	History Past and Present – Exploring Old and New Objects	Recognize simple differences between past and present.	History Daily Life in the Past vs. Today	Compare similarities and differences between past and present.	History Local Family Stories and Traditions	Explore how homes, jobs, and lifestyles have changed over time within their own family and the wider community. Recognize the impact of historical events on family life (e.g., war, industrial changes).
	Science	Living vs. Non-Living Things: Recognize that some things grow and others don't.	Science Living vs. Non-Living Things	Recognize that some things grow and others don't.	Science Classifying Living Things by Their Characteristics	Identify key features of animals and plants.
	Art Pablo Picasso (Simple Shapes in Faces – Early Blue Period)	Recognising simple face shapes: Explore how faces are made from circles, ovals, and lines.	Art Andy Warhol (Pop Art Portraits)	Exploring colours and repetition in portraits: Paint the same face four times in different bright colours.	Art Kehinde Wiley (Patterned Portraits)	Exploring bold colours and backgrounds: Create a self- portrait with a patterned background.
	Computing Recognising Digital Devices & Their Uses	Basic cause and effect using an interactive screen (e.g., touching an icon to see movement).	Computing Recognising Digital Devices & Their Uses	Recognising differences between devices (smartphones, computers, TVs, radios).	Computing Recognising Digital Devices & Their Uses	Exploring digital tools used in workplaces (e.g., emails, registers, digital payments).
	Religious Education Christianity - Creation & Harvest	Watching videos of harvest celebrations in churches and communities.	Religious Education Christianity - Creation & Harvest	Watching videos of harvest celebrations in churches and communities.	Religious Education Christianity - Creation & Harvest	Exploring why Christians say grace before meals.
	Key events / trips		Key events / trips		Key events / trips	

KEY STAGE 4	English	Introduce core books for the year Non-fiction: labels & lists	English	Introduce core books and key poetry for the year Non-fiction: information, including labels, lists and captions	English	Introduce core books and key poetry for the year Non-fiction: information, including labels, lists and captions
	Maths	Exploring Big and Small : Comparing sizes using sensory props (e.g., big and small balls).	Maths	Number Recognition Place Value	Maths	Number Recognition Place Value
	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Recognize personal textures or objects associated with specific emotions.	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Reflect on triggers for emotions and simple strategies to cope (e.g., using a calm space).	PSED Exploring Emotions Understanding and expressing emotions through sensory experiences and communication.	Explore independent strategies to manage emotions, such as journaling or timeouts.
	RSE Healthy Relationships & Family Life	Recognising toxic relationships, safe vs. unsafe love.	RSE Healthy Relationships & Family Life	Recognising toxic relationships, safe vs. unsafe love.	RSE Healthy Relationships & Family Life	Recognising toxic relationships, safe vs. unsafe love.
	P.E	Balance and Coordination : Engaging in crawling, rolling, and gentle partner activities.	P.E	Ball Skills : Throwing and catching with control.	P.E	Tag and Relay Games : Building speed, spatial awareness, and reaction skills.
	History My Home Then and Now	Recognize that homes change over time.	History Generations – Understanding Family Stories	Recognize that older family members have different experiences.	History Looking at Our Own Personal History	Investigate how technological and societal changes have influenced families over generations (e.g., the introduction of cars, the internet, women's roles in society). Understand how family structures vary across cultures and history.
	Science	Sorting Foods by Type (Fruit, Vegetables, Grains, etc.): Recognize different food groups.	Science Sorting Foods by Type (Fruit, Vegetables, Grains, etc.)	Recognize different food groups.	Science Sorting Materials by How They Change	Recognize materials that can melt, freeze, or dissolve.

	Art Henri Matisse (Collaged Faces Using Bold Shapes)	Experimenting with cut-out shapes: Use large, simple shapes to represent facial features.	Art Keith Haring (Bold Outlined Figures and Faces)	Creating expressive portraits using simple shapes: Use bold lines and bright colours to make stylized portraits.	Art Lucian Freud (Realistic Portraits)	Exploring light and shadow in portraits: Shade a portrait using pencils or paint.
	Computing Recognising Digital Devices & Their Uses	Using single-step input (e.g., pressing a large switch to control a basic device).	Computing Recognising Digital Devices & Their Uses	Using an accessible tablet/laptop to complete a simple task.	Computing Recognising Digital Devices & Their Uses	Understanding how devices communicate in a network (Wi-Fi, Bluetooth, servers).
	Religious Education Christianity - Creation & Harvest	Exploring how people give thanks through religious rituals.	Religious Education Christianity - Creation & Harvest	Exploring how people give thanks through religious rituals.	Religious Education Christianity - Creation & Harvest	Debating how faith and science view the origins of the world.
	Key events / trips		Key events / trips		Key events / trips	

CYCLE 2: TERM 2:

LET'S CELEBRATE - FESTIVALS AROUND THE WORLD (SCIENCE, GEOGRAPHY, ART and RELIGIOUS EDUCATION)

(Code-)

	Sensory Pathway		Communication Pathway		Core Pathway	
EYFS	English	Myths, legends and folktales – dragon sensory story Caribbean Counting Poem	English	Myths, legends and folktales – dragon sensory story Caribbean Counting Poem	English	Myths, legends and folktales – dragon sensory story Caribbean Counting Poem
	Maths	Exploring Same and Different : Comparing textures, colours, and sizes in sensory materials.	Maths	Addition and Subtraction	Maths	Addition and Subtraction
	PSED Belonging Understanding identity, inclusion, and being part of a community.	React to sensory props like uniforms, flags, or soft scarves.	PSED Belonging Understanding identity, inclusion, and being part of a community.	Match pictures of belonging (e.g., family, school) to tactile objects.	PSED Belonging Understanding identity, inclusion, and being part of a community.	Recognize people who help us (e.g., teachers, doctors).
	RSE Consent & Boundaries	Learning about "yes" and "no" through play.	RSE Consent & Boundaries	Learning about "yes" and "no" through play.	RSE Consent & Boundaries	Learning about "yes" and "no" through play.
	P.E	Yoga : Learning calming poses like child's pose and seated stretches.	P.E	Gymnastics : Developing rolls, jumps, and balances.	P.E	Gymnastics : Linking movements into sequences with fluency.
	Geography	Exploring Textures of Festival Decorations: React to different materials from different cultures.	Geography	Sorting Festival Symbols by Country : Recognize that festivals happen in different places.	Geography	Recognising Different Cultural Decorations : Recognize that different celebrations use different decorations.

	Science Diwali, Hanukkah, Christmas	Exploring Light and Dark: Experience different light levels. Look at glowing lights, LED candles, and dimming effects.	Science Diwali, Hanukkah, Christmas	Sorting Light and Non-Light Objects: Recognize that some objects produce light.	Science Diwali, Christmas, Hanukkah	Light Sources in Festivals: Recognize that light comes from a source.
	Art Diwali, Christmas, Chinese New Year	Exploring Textures and Colours in Festival Decorations: React to different colours and textures.	Art All Festivals	Simple Festival Collage: Explore traditional art techniques.	Art	Festival Symbol Painting: Develop fine motor skills.
	Religious Education	React to sensory elements of different religious festivals (e.g., flickering candles for Hanukkah, bells for Christmas, chanting for Diwali).	Religious Education	Identify and react to religious objects (e.g., pointing to a menorah for Hanukkah or a diya for Diwali).	Religious Education	Identify simple religious symbols and link them to celebrations (e.g., star = Christmas, diya lamp = Diwali).
	Computing Using Basic Digital Tools	Pressing a button to create a sound or visual effect.	Computing Using Basic Digital Tools	Learning to select between two options on a screen.	Computing Using Basic Digital Tools	Using a mouse/touchpad to interact with icons.
	Religious Education Judaism - Hanukkah	Exploring candles, light, and shadows.	Religious Education Judaism - Hanukkah	Recognising Hanukkah symbols (menorah, dreidel, Star of David).	Religious Education Judaism - Hanukkah	Understanding why Jewish people celebrate Hanukkah.
	Key events / trips	-	Key events / trips	-	Key events / trips	

KEY STAGE 1	English	Myths, legends and folktales – dragon sensory story Caribbean Counting Poetry	English	Myths, legends and folktales – dragon stories <i>The Wheels on the Bus</i> (Guatemala)	English	Myths, legends and folktales – dragon stories <i>Down by the River</i> (Afro-Caribbean Rhymes, Games and Songs)
	Maths	Exploring Same and Different : Comparing textures, colours, and sizes in sensory materials.	Maths	Addition and Subtraction	Maths	Addition and Subtraction
	PSED Belonging Understanding identity, inclusion, and being part of a community.	Explore tactile items representing belonging, such as group symbols.	PSED Belonging Understanding identity, inclusion, and being part of a community.	Identify groups they belong to (e.g., school, family) using visuals.	PSED Belonging Understanding identity, inclusion, and being part of a community.	Begin to identify what makes them feel included (e.g., playing with friends).
	RSE Consent & Boundaries	Learning about "yes" and "no" through play.	RSE Consent & Boundaries	Learning about "yes" and "no" through play.	RSE Consent & Boundaries	Learning about "yes" and "no" through play.
	P.E	Yoga : Learning calming poses like child's pose and seated stretches.	P.E	Gymnastics : Developing rolls, jumps, and balances.	P.E	Gymnastics : Linking movements into sequences with fluency.
	Geography	Recognising Different Lights in Festivals : Experience differences between bright and dark environments.	Foundation subjects Geography	Use picture symbols or simple words to describe festival locations (e.g., "Eid is celebrated in warm countries like Saudi Arabia").	Geography	Identifying Festival Locations on a Map : Locate celebrations on a world map.
	Science Chinese New Year, Bonfire Night	Exploring Festival Sounds : Recognize different sound levels and vibrations.	Science Chinese New Year, Bonfire Night	Understanding How Sound Travels: Recognize that sound moves through the air.	Science Hanukkah (candles), Bonfire Night (fireworks), Christmas (food baking)	Melting and Burning in Celebrations : Recognize how heat changes materials.
	Art Diwali, Christmas, Chinese New Year	Using Sensory Materials to Create Festival Symbols : Experiment with soft and rough materials.	Art Holi, Christmas, Diwali	Using Bright Colours to Represent Festivals: Experiment with colour mixing.	Art Bonfire Night, New Year's Eve	Festival Firework Painting : Explore movement in art.

	Religious Education	Engage with multi-sensory religious objects (e.g., dreidels for Hanukkah, prayer beads for Buddhism, incense for Hindu celebrations).	Religious Education	Use visual aids, simple words, or PECS to label festivals and their features (e.g., “Eid = mosque and lanterns”).	Religious Education	Describe basic festival traditions (e.g., “On Hanukkah, Jewish people light candles”).
	Computing Using Basic Digital Tools	Exploring colours and lights on a touchscreen	Computing Using Basic Digital Tools	Using a basic paint tool to draw.	Computing Using Basic Digital Tools	Creating basic text using an on-screen keyboard.
	Religious Education Judaism - Hanukkah	Listening to Jewish blessings and Hanukkah songs.	Religious Education Judaism - Hanukkah	Matching Hanukkah items with their meanings.	Religious Education Judaism - Hanukkah	Exploring how the menorah is a key symbol of Jewish faith.
	Key events / trips		Key events / trips		Key events / trips	
KEY STAGE 2	English	Myths, legends and folktales – dragon sensory story Caribbean Counting Poems	English	Myths, legends and folktales – dragon stories <i>Down by the River</i> (Afro-Caribbean Rhymes, Games and Songs)	English	Myths, legends and folktales – Pandora’s Box Celebration poetry from around the world
	Maths	Exploring Same and Different : Comparing textures, colours, and sizes in sensory materials.	Maths	Addition and Subtraction	Maths	Addition and Subtraction
	PSED Belonging Understanding identity, inclusion, and being part of a community.	Identify tactile props that represent community (e.g., flags or group symbols).	PSED Belonging Understanding identity, inclusion, and being part of a community.	Discuss ways to help their community through role-play.	PSED Belonging Understanding identity, inclusion, and being part of a community.	Discuss how teamwork helps in a community setting. Recognize symbols of belonging, like school logos or badges.

	RSE Consent & Boundaries	Personal space, saying no to touch we don't like.	RSE Consent & Boundaries	Personal space, saying no to touch we don't like.	RSE Consent & Boundaries	Personal space, saying no to touch we don't like.
	P.E	Yoga: Learning calming poses like child's pose and seated stretches.	P.E	Gymnastics: Developing rolls, jumps, and balances.	P.E	Gymnastics: Linking movements into sequences with fluency.
	Geography	Recognising Sounds from Different Festivals: React to different festival sounds.	Geography	Match countries to their festivals using visual aids and simple maps (e.g., placing an icon for Chinese New Year on a map of China).	Geography	How Different Countries Celebrate Festivals: Locate festival locations on a world map and describe the environment (e.g., "Brazil has a big carnival in warm weather").
	Science Eid, Kwanzaa, Hanukkah	Exploring Different Materials in Festivals: Recognize different textures and materials.	Science Hanukkah (candles), Bonfire Night (fireworks), Eid (cooking food)	How Heat Changes Materials: Recognize how heat affects materials.	Science Chinese New Year, Bonfire Night, New Year's Eve	Why Fireworks Make Sounds: Understand how sound moves through air.
	Art Holi, Chinese New Year, Bonfire Night	Creating Simple Festival Prints: Explore how colours and patterns are used.	Art Eid, Hanukkah, Kwanzaa	Creating Festival-Inspired Patterns: Recognize symmetry in art.	Art Festival Fabric Art (Holi, Kwanzaa, Eid)	Experiment with fabric-based art.
	Religious Education	Respond to religious narratives through sensory props (e.g., nativity story with textured fabrics, audio of Hindu bhajans for Diwali).	Religious Education	Use pictures and structured phrases to explain a festival (e.g., "Christmas has a star and a tree").	Religious Education	Match festivals to religious stories and practices (e.g., Easter and Jesus' resurrection, Eid and fasting).
	Computing Using Basic Digital Tools	Touch screen to make a change.	Computing Using Basic Digital Tools	Exploring digital writing using large, simple fonts.	Computing Using Basic Digital Tools	Copying, pasting, and formatting simple documents.
	Religious Education Judaism - Hanukkah	Feeling a dreidel and handling different Hanukkah objects.	Religious Education Judaism - Hanukkah	Feeling a dreidel and handling different Hanukkah objects.	Religious Education Judaism - Hanukkah	Learning the story of the Maccabees and the oil lamp miracle.
	Key events / trips		Key events / trips		Key events / trips	

KEY STAGE 3	English	Myths, legends and folktales – mythical creatures (sensory story) Caribbean Counting Poetry	English	Myths, legends and folktales – <i>Monkey See, Monkey Do</i> Caribbean Poems - <i>Fruits</i>	English	Myths, legends and folktales – Witches (Baba Yaga, Russia) Celebration poetry from around the world
	Maths	Exploring Same and Different : Comparing textures, colours, and sizes in sensory materials.	Maths	Addition and Subtraction	Maths	Addition and Subtraction
	PSED Belonging Understanding identity, inclusion, and being part of a community.	Create a sensory board about their community using textures or sounds.	PSED Belonging Understanding identity, inclusion, and being part of a community.	Reflect on what it means to belong to different groups, using photos or props.	PSED Belonging Understanding identity, inclusion, and being part of a community.	Reflect on how their contributions benefit others.
	RSE Consent & Boundaries	Saying no to pressure from peers.	RSE Consent & Boundaries	Saying no to pressure from peers.	RSE Consent & Boundaries	Saying no to pressure from peers.
	P.E	Yoga : Learning calming poses like child's pose and seated stretches.	P.E	Gymnastics : Developing rolls, jumps, and balances.	P.E	Gymnastics : Linking movements into sequences with fluency.
	Geography	Feeling Hot and Cold in Seasonal Celebrations: Recognize that seasons affect celebrations.	Geography	Use colourful semantics to show festival locations (e.g., "Carnival in Brazil is hot and sunny, Christmas in the UK is cold and snowy").	Geography	How Festivals Have Spread Around the World : Understand how trade and migration influence celebrations.
	Science Winter Festivals (Christmas, Hanukkah, Diwali, Kwanzaa)	Seasonal Changes in Celebrations : Observe how seasons affect light and temperature.	Science Chinese New Year, Bonfire Night, New Year's Eve	Why Fireworks Make Different Colours : Understand that different chemicals create different colours.	Science Diwali, Bonfire Night, Chinese New Year	Comparing Firework Colours : Recognize that chemicals create different colours.
	Art Bonfire Night, Diwali, Holi	Exploring Movement in Art (Swirling, Dripping, Flicking) : Create movement using paint and other materials.	Art Chinese New Year, Hanukkah, Diwali	Lantern and Shadow Art (Light and Dark Focus) : Explore light and dark contrast in artwork.	Art	
	Religious Education	Identify places of worship through sensory props (e.g., tactile church model	Religious Education	Use simple sentence structures or visual supports to compare festivals (e.g.,	Religious Education	Explain similarities and differences between religious festivals (e.g., "Christmas, Diwali

		for Christmas, prayer mats for Eid, shofar sound for Rosh Hashanah).		“Both Hanukkah and Diwali use candles”).		and Eid both involve giving gifts”).
	Computing Using Basic Digital Tools	Learning how to press a key to cause an action (e.g., spacebar to move forward).	Computing Using Basic Digital Tools	Typing basic words or phrases with digital support.	Computing Using Basic Digital Tools	Using online collaborative tools (e.g., shared documents).
	Religious Education Judaism - Hanukkah	Watching videos of Jewish families lighting the menorah.	Religious Education Judaism - Hanukkah	Exploring Jewish traditions of giving and sharing during Hanukkah.	Religious Education Judaism - Hanukkah	Investigating the role of miracles in different faith traditions.
	Key events / trips		Key events / trips		Key events / trips	
KEY STAGE 4	English	Myths, legends and folktales – mythical creatures (sensory story) Caribbean Counting Poetry	English	Myths, legends and folktales – storytelling Caribbean Poems - <i>Fruits</i>	English	Myths, legends and folktales – Beowulf Celebration poetry from around the world
	Maths	Exploring Same and Different : Comparing textures, colours, and sizes in sensory materials.	Maths	Addition and Subtraction	Maths	Addition and Subtraction
	PSED Belonging Understanding identity, inclusion, and being part of a community.	Explore tactile and visual symbols of inclusion (e.g., handshakes).	PSED Belonging Understanding identity, inclusion, and being part of a community.	Identify strategies for inclusion and collaboration.	PSED Belonging Understanding identity, inclusion, and being part of a community.	Explore how inclusion creates stronger communities and how they can support others.
	RSE Consent & Boundaries	Sexual consent, peer pressure, coercion awareness.	RSE Consent & Boundaries	Sexual consent, peer pressure, coercion awareness.	RSE Consent & Boundaries	Sexual consent, peer pressure, coercion awareness.
	P.E	Yoga : Learning calming poses like child’s pose and seated stretches.	P.E	Gymnastics : Developing rolls, jumps, and balances.	P.E	Gymnastics : Linking movements into sequences with fluency.
	Geography	Exploring the Movement of Festival Decorations: Observe how decorations move in wind or light.	Geography	Visit temples in local areas – experience culture and traditions first-hand	Geography	Sustainability and Festivals : Investigate the impact of festivals on the environment.

	Science Holi, Chinese New Year, Bonfire Night	Recognising Changes in Colour and Light: Observe how light and colour change.	Science Christmas, Hanukkah, Diwali	Why Festivals Use Light in Winter: Recognize that winter has fewer daylight hours.	Science Christmas, Hanukkah, Diwali	Exploring the Use of Light in Celebrations: Understand why celebrations use light.
	Art Eid, Hanukkah, Christmas, Kwanzaa	Layering and Textures in Festival Art: Experiment with different textures and materials.	Art Festival Card Design for enterprise	Design a bold, colourful cards inspired by festival themes.	Art	
	Religious Education	React to different prayer practices, explore sensory elements of rituals (e.g., candle lighting, bell ringing, drumming).	Religious Education	Use ALBs s or technology-assisted communication to explain how religion influences celebrations (e.g., “Ramadan is special because people fast”).	Religious Education	Analyse how celebrations have adapted due to historical and societal changes (e.g., how Christmas is celebrated differently around the world).
	Computing Using Basic Digital Tools	Using large adapted keyboards or touch interfaces to select options.	Computing Using Basic Digital Tools	Using word prediction tools to create simple sentences.	Computing Using Basic Digital Tools	Exploring different assistive tools (e.g., speech-to-text, magnification software).
	Religious Education Judaism - Hanukkah	Experiencing Hanukkah traditions (eating latkes, spinning dreidels).	Religious Education Judaism - Hanukkah	Comparing Hanukkah with Christmas and Diwali as "festivals of light".	Religious Education Judaism - Hanukkah	Debating how religious freedom impacts modern societies.
	Key events / trips		Key events / trips		Key events / trips	

CYCLE 2: TERM 3: OUR WORLD, OUR HOME.

SCIENCE, GEOGRAPHY, DESIGN TECHNOLOGY and RELIGIOUS EDUCATION)

(Code-2:3)

	Sensory Pathway		Communication Pathway		Core Pathway	
EYFS	English	Fantasy Stories – sensory stories Non-fiction board books	English	Fantasy Stories Simple non-fiction texts	English	Fantasy Stories Simple non-fiction texts
	Maths	Exploring Time Awareness : Using routines and sequences to build concepts like "now" and "next."	Maths	Time Awareness	Maths	Time Awareness
	PSED Online Safety Recognising safe and unsafe online behaviours.	React to sensory safety cues like red and green light-up toys.	PSED Online Safety Recognising safe and unsafe online behaviours.	Match “safe” and “unsafe” symbols to tactile props.	PSED Online Safety Recognising safe and unsafe online behaviours.	Recognize safety visuals like stop signs through sensory exploration.
	RSE Online Safety & Digital Risks	Recognising safe vs. unsafe content (pictures, videos).	RSE Online Safety & Digital Risks	Recognising safe vs. unsafe content (pictures, videos).	RSE Online Safety & Digital Risks	Recognising safe vs. unsafe content (pictures, videos).
	P.E	Posture and Alignment : Physiotherapy sessions focusing on spinal alignment and core strength.	P.E	Tag Games : Developing agility, dodging, and spatial awareness.	P.E	Gymnastics : Developing advanced shapes and movements, including partner work.
	Geography Recognising Different Land and Water Textures	React to sensory stimuli such as feeling a cool wet cloth for water and rough textures for land.	Geography Identifying Water on a Map	Look at and react to different textures representing land (e.g., rough fabric for mountains) and water (e.g., smooth blue cloth).	Geography	Identify pictures or models representing land (e.g., mountains) and water (e.g., rivers, lakes).
	Science Recognising Different Animal Textures	React to different textures of living things.	Science Sorting Animals by Where They Live	Identify that different animals live in different places.	Science Sorting Animals by Habitat	Identify that animals live in different places.

	Design Technology Experiencing Natural Materials	Explore different textures from nature.	Design Technology Sorting Natural and Artificial Materials	Identify materials found in nature.	Design Technology Sorting Natural and Man-Made Materials	Identify that some materials come from nature and some are man-made.
	Computing Introduction to Digital Communication & Online Interactions	Watching familiar faces on a video call.	Computing Introduction to Digital Communication & Online Interactions	Recognising "safe" and "not safe" messages.	Computing Introduction to Digital Communication & Online Interactions	Understanding what a digital conversation is.
	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Exploring bright colours through powders, water play, and painting.	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Recognising Holi symbols (colour powders, bonfires, water balloons).	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Understanding the origins and meaning of Holi.
	Key events / trips	-	Key events / trips	-	Key events / trips	
KEY STAGE 1	English	Fantasy Stories – sensory stories <i>Walking through the Jungle</i> (Lancome) Non-fiction board books	English	Fantasy Stories, incl. <i>Where the Wild Things are</i> Non-fiction: <i>One Day on our Blue Planet</i> series	English	Fantasy Stories, incl. <i>Where the Wild Things are</i> Non-fiction: <i>One Day on our Blue Planet</i> series
	Maths	Exploring Time Awareness : Using routines and sequences to build concepts like "now" and "next."	Maths	Time Awareness	Maths	Time Awareness
	PSED Online Safety Recognising safe and unsafe online behaviours.	Explore textured safety symbols for stop (e.g., rough signs).	PSED Online Safety Recognising safe and unsafe online behaviours.	Begin recognising safe spaces and items through guided exploration.	PSED Online Safety Recognising safe and unsafe online behaviours.	Identify basic safe actions, like asking an adult before clicking.
	RSE Online Safety & Digital Risks	Recognising safe vs. unsafe content (pictures, videos).	RSE Online Safety & Digital Risks	Recognising safe vs. unsafe content (pictures, videos).	RSE Online Safety & Digital Risks	Recognising safe vs. unsafe content (pictures, videos).

	P.E	Posture and Alignment: Physiotherapy sessions focusing on spinal alignment and core strength.	P.E	Tag Games: Developing agility, dodging, and spatial awareness.	P.E	Gymnastics: Developing advanced shapes and movements, including partner work.
	Geography Exploring Cold vs. Hot Places	Recognize differences between warm and cold climates.	Geography	Match pictures of land (e.g., hills, sand) and water (e.g., rivers, lakes) using large visual aids and simplified symbols.	Geography	Use simple maps and models to locate water and land on a globe (e.g., “The sea is blue, the land is green”).
	Science Exploring Minibeast Movements	Recognize how minibeasts move differently.	Science Understanding How Animals Move	Recognize that animals move in different ways.	Science Grouping Animals by What They Eat	Recognize that animals eat different things.
	Design Technology Exploring Water and Air Flow	Recognize that materials react differently to movement.	Design Technology Creating Simple Animal Homes	Recognize that animals need shelter.	Design Technology Building a Simple Animal Home	Recognize that animals need shelter.
	Computing Introduction to Digital Communication & Online Interactions	Reacting to simple images and voices on a tablet screen.	Computing Introduction to Digital Communication & Online Interactions	Understanding who we can talk to online (trusted adults vs. strangers).	Computing Introduction to Digital Communication & Online Interactions	Recognising personal vs. public information.
	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Listening to joyful Holi music and drumming sounds.	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Matching pictures of Holi traditions (throwing colours, dancing).	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Exploring Holi traditions in India and beyond.
	Key events / trips		Key events / trips		Key events / trips	
KEY STAGE 2	English	Fantasy Stories – sensory stories <i>Ernest and I</i> Non-fiction board books	English	Fantasy Stories - monsters Non-fiction: <i>One Day on our Blue Planet</i> series	English	Fantasy Stories – <i>Flooded</i> Non-fiction - <i>Flood</i>
	Maths	Exploring Time Awareness: Using routines and sequences to build concepts like "now" and "next."	Maths	Time Awareness	Maths	Time Awareness
	PSED Online Safety	Match tactile objects (e.g., shields for protection) to visuals about safety.	PSED Online Safety	Discuss safe vs. unsafe online actions using simple visuals.	PSED Online Safety	Explore basic online rules using stories or visual guides.

	Recognising safe and unsafe online behaviours.		Recognising safe and unsafe online behaviours.		Recognising safe and unsafe online behaviours.	
	RSE Online Safety & Digital Risks	Who can we talk to if we feel unsafe online?	RSE Online Safety & Digital Risks	Who can we talk to if we feel unsafe online?	RSE Online Safety & Digital Risks	Who can we talk to if we feel unsafe online?
	P.E	Posture and Alignment: Physiotherapy sessions focusing on spinal alignment and core strength.	P.E	Tag Games: Developing agility, dodging, and spatial awareness.	P.E	Gymnastics: Developing advanced shapes and movements, including partner work.
	Geography Recognising Ocean Sounds	Recognize how water sounds different in different places.	Geography	Use basic communication strategies (e.g., pointing, signing, symbol selection) to label simple landscapes like “forest” and “sea.”	Geography	Compare different environments (e.g., “Deserts are dry, rainforests are wet”) and explain how people live in different places.
	Science Recognising Different Animal Sounds	Recognize that animals make different sounds.	Science Identifying Minibeasts in the Garden	Recognize that small creatures live in different places.	Science Identifying Different Types of Habitats	Recognize different natural environments.
	Design Technology Exploring Weight and Sound of Natural Objects	Recognize that some things feel heavy and some feel light.	Design Technology Building Mini-Habitats Using Simple Materials	Understand that different habitats support different animals.	Design Technology Designing and Testing a Simple Floating Boat	Recognize that some materials float and some sink.
	Computing Introduction to Digital Communication & Online Interactions	Matching familiar and unfamiliar faces.	Computing Introduction to Digital Communication & Online Interactions	Develop typing skills	Computing Introduction to Digital Communication & Online Interactions	Discussing the risks of social media and online messaging.
	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Feeling different textures related to Holi (cloth, powders, flower petals).	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Feeling different textures related to Holi (cloth, powders, flower petals).	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Examining the symbolism of colour in different cultures.
	Key events / trips		Key events / trips		Key events / trips	

KEY STAGE 3	English	Fantasy Stories – sensory stories <i>Walking through the Jungle</i> (Barefoot Books) Non-fiction board books	English	Fantasy Stories – Aaron Becker Wordless Trilogy Information texts – Planet Earth	English	Fantasy Stories – Harry Potter Non-chronological reports
	Maths	Exploring Time Awareness : Using routines and sequences to build concepts like "now" and "next."	Maths	Time Awareness	Maths	Time Awareness
	PSED Online Safety Recognising safe and unsafe online behaviours.	Respond to sensory prompts for online boundaries, like tactile "stop" zones.	PSED Online Safety Recognising safe and unsafe online behaviours.	Explore personal boundaries online through role-play or tactile props.	PSED Online Safety Recognising safe and unsafe online behaviours.	Discuss risks online, like scams or inappropriate content.
	RSE Online Safety & Digital Risks	Social media risks, online exploitation.	RSE Online Safety & Digital Risks	Social media risks, online exploitation.	RSE Online Safety & Digital Risks	Social media risks, online exploitation.
	P.E	Posture and Alignment : Physiotherapy sessions focusing on spinal alignment and core strength.	P.E	Tag Games : Developing agility, dodging, and spatial awareness.	P.E	Gymnastics : Developing advanced shapes and movements, including partner work.
	Geography Feeling Wet vs. Dry Land	Recognize that some places are wet and some are dry.	Geography	Recognize and match images of cold places (e.g., snowy mountains) and hot places (e.g., deserts) using simplified language or PECS.	Geography	Explain how rivers help farming, why cities are near water, and why mountains are hard to live in.
	Science Exploring Wet vs. Dry Habitats	Recognize that animals live in different environments.	Science Exploring Habitats and Why They Matter	Recognize that animals need the right environment to survive.	Science Understanding Sustainability and Why Forests Are Important	Recognize that trees provide oxygen and shelter.

	Design Technology Recognising Soft and Hard Materials	Understand that materials feel different when touched.	Design Technology Creating a Simple Water Filtration Model	Recognize that people clean water before using it.	Design Technology Exploring Sustainable Building Materials	Recognize that some materials are better for the environment.
	Computing Introduction to Digital Communication & Online Interactions	Anticipate and respond to familiar faces	Computing Introduction to Digital Communication & Online Interactions	Matching familiar and unfamiliar faces.	Computing Introduction to Digital Communication & Online Interactions	Exploring how social media works (likes, shares, comments). Understanding digital footprints and privacy settings.
	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Watching videos of Holi celebrations, experiencing safe colour play.	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Exploring how Holi is celebrated differently around the world.	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Exploring how Holi is celebrated differently around the world.
	Key events / trips		Key events / trips		Key events / trips	
KEY STAGE 4	English	Fantasy Stories – sensory stories <i>Voyage to Arghan</i> Non-fiction board books	English	Fantasy Stories – Aaron Becker Wordless Trilogy Information texts – Volcanoes	English	Fantasy Stories – The Hobbit Non-chronological reports
	Maths	Exploring Time Awareness : Using routines and sequences to build concepts like "now" and "next."	Maths	Time Awareness	Maths	Time Awareness

PSED Online Safety Recognising safe and unsafe online behaviours.	Explore tactile safety boards about online rules (e.g., secure passwords).	PSED Online Safety Recognising safe and unsafe online behaviours.	Reflect on online safety strategies and practice identifying safe websites or apps.	PSED Online Safety Recognising safe and unsafe online behaviours.	Develop a personal online safety plan using simple visuals and strategies.
RSE Online Safety & Digital Risks	Catfishing, fraud, deepfakes, internet safety in adulthood.	RSE Online Safety & Digital Risks	Catfishing, fraud, deepfakes, internet safety in adulthood.	RSE Online Safety & Digital Risks	Catfishing, fraud, deepfakes, internet safety in adulthood.
P.E	Posture and Alignment: Physiotherapy sessions focusing on spinal alignment and core strength.	P.E	Tag Games: Developing agility, dodging, and spatial awareness.	P.E	Gymnastics: Developing advanced shapes and movements, including partner work.
Geography Recognising that animals have homes	Match simple sensory experiences to animal habitats (e.g., fur for polar bears, dry soil for camels).	Geography	Use structured visual supports to show that people and animals need water and land to survive (e.g., “Fish live in water, people need houses on land”).	Geography	Explore issues like pollution, deforestation, and flooding, discussing how we can help protect the Earth.
Science Recognising Big vs. Small Animals	Recognize different animal sizes.	Science Recognising Threats to Habitats (Basic Sustainability)	Recognize that animals' homes can be built but damaged.	Science Understanding Deforestation and Human Impact on the Planet	Recognize how cutting down trees affects the environment.
Design Technology Exploring Simple Building Materials	Recognize different materials used in shelters.	Design Technology Exploring Recycled Materials in Design	Recognize how materials can be reused.	Design Technology Creating a Simple Model of a Sustainable House	Understand that buildings can be designed to use less energy.
Computing Introduction to Digital Communication & Online Interactions	Recognising some people	Computing Introduction to Digital Communication & Online Interactions	Understanding that some people we see online are real, and some are not.	Computing Introduction to Digital Communication & Online Interactions	Recognising cyberbullying, phishing, and scams.
Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Understanding Holi as a time of renewal, friendship, and joy.	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Understanding Holi as a time of renewal, friendship, and joy.	Religious Education Hinduism - Holi, the Festival of Colours & Renewal	Discussing the impact of cultural appropriation in modern Holi celebrations.

	Key events / trips		Key events / trips		Key events / trips

CYCLE 2: TERM 4:

HAPPY AND HEALTHY: TAKING CARE OF OUR BODIES (SCIENCE, HISTORY and DESIGN TECHNOLOGY)

(Code-)

	Sensory Pathway		Communication Pathway		Core Pathway	
EYFS	English	Fairy Tales - <i>The Three Little Pigs</i> (sensory story) Following simple instructions, link to positional awareness in maths	English	Fairy Tales - <i>The Three Little Pigs</i> (sensory story) Following simple instructions, link to healthy eating	English	Fairy Tales - <i>The Three Little Pigs</i> (sensory story) Following simple instructions, link to healthy eating
	Maths	Exploring Positional Awareness : Sensory exploration of "in," "out," "on," and "under."	Maths	Shapes and Patterns	Maths	Shapes and Patterns
	PSED Changing Bodies Understanding physical changes and personal hygiene	React to tactile props representing growth (e.g., baby clothes vs. child's clothing).	PSED Changing Bodies Understanding physical changes and personal hygiene	Match visuals of basic care routines (e.g., feeding, bathing) to tactile objects.	PSED Changing Bodies Understanding physical changes and personal hygiene	Recognize care routines like bathing or brushing hair.
	RSE Mental Health & Wellbeing	Learning simple strategies (deep breathing, sensory play).	RSE Mental Health & Wellbeing	Learning simple strategies (deep breathing, sensory play).	RSE Mental Health & Wellbeing	Learning simple strategies (deep breathing, sensory play).
	P.E	Obstacle Exploration : Using ramps, mats, and tunnels for navigating sensory obstacle courses.	P.E	Throwing and Catching : Practicing accuracy and movement.	P.E	Outdoor and Adventurous Activities : Navigating spaces, map reading, and problem-solving.
	Science Exploring Body Sensations	React to different body sensations. Engage with gentle massage, textured fabrics on hands/feet, or	Science Identifying Basic Body Parts	Recognize simple body parts. Explore body parts using touch, songs, and simple visuals (e.g., pointing to nose, clapping hands).	Science Naming Major Body Parts	Identify key body parts.

		soft brushes to explore body awareness.				
	History Florence Nightingale (The Lady with the Lamp):	Recognising caregivers and helpers. Recognize that some people help others stay well.	History Florence Nightingale:	Recognising caregivers. Match pictures of nurses to hospitals.	History Florence Nightingale (The Lady with the Lamp):	Recognising important people who helped others. Understand that people in the past made a difference.
	Design Technology Exploring Food Textures	Experience different food textures.	Design Technology Exploring Food Textures	Experience different food textures.	Design Technology Sorting Healthy and Unhealthy Foods	Recognize that some foods help us grow.
	Computing Creating Simple Digital Content	Using finger painting apps to create simple marks.	Computing Creating Simple Digital Content	Using simple story-making tools with images.	Computing Creating Simple Digital Content	Creating a digital drawing using layers.
	Religious Education Christianity - Easter & New Life	Exploring soft Easter grass, eggs, and flowers.	Religious Education Christianity - Easter & New Life	Recognising symbols of Easter (egg, lamb, cross, sunrise).	Religious Education Christianity - Easter & New Life	Recognising symbols of Easter (egg, lamb, cross, sunrise).
	Key events / trips	-	Key events / trips	-	Key events / trips	-
KEY STAGE 1	English	Fairy Tales – <i>Goldilocks and the Three Bears</i> (sensory story) Following simple instructions: link to other subjects, including Easter crafts	English	Fairy Tales – <i>Goldilocks and the Three Bears & Goldilocks and the 3 Crocodiles</i> Instructions: self-care (link to Science) & link to Easter crafts	English	Fairy Tales – <i>Goldilocks and the Three Bears & Goldilocks and the 3 Crocodiles</i> Instructions: self-care (link to Science) & link to Easter crafts
	Maths	Exploring Positional Awareness : Sensory exploration of "in," "out," "on," and "under."	Maths	Shapes and Patterns	Maths	Shapes and Patterns
	PSED Changing Bodies Understanding physical changes and personal hygiene	Explore textures like soft fabrics for babies and firmer textures for older children.	PSED Changing Bodies Understanding physical changes and personal hygiene	Identify body parts using symbols or pictures.	PSED Changing Bodies Understanding physical changes and personal hygiene	Identify hygiene items like soap or toothpaste using pictures.
	RSE Mental Health & Wellbeing	Learning simple strategies (deep breathing, sensory play).	RSE Mental Health & Wellbeing	Learning simple strategies (deep breathing, sensory play).	RSE Mental Health & Wellbeing	Learning simple strategies (deep breathing, sensory play).

	P.E	Obstacle Exploration: Using ramps, mats, and tunnels for navigating sensory obstacle courses.	P.E	Throwing and Catching: Practicing accuracy and movement.	P.E	Outdoor and Adventurous Activities: Navigating spaces, map reading, and problem-solving.
	Science Recognising Different Body Parts	Recognize parts of the body.	Science What Do Different Body Parts Do?	Recognize that body parts have functions.	Science How Different Body Parts Help Us	Understand basic body functions.
	History Edward Jenner (Vaccines and Keeping Safe):	Recognising people who keep us safe. Recognize that some people stop us from getting sick.	History Edward Jenner (Vaccines):	Understanding why we need doctors. Match doctor images to "feeling better" pictures.	History Edward Jenner (Vaccines and Keeping Safe)	Recognising people who helped stop diseases. Understand how people work to keep others healthy.
	Design Technology Recognising Food Smells	Recognize different food scents.	Design Technology Recognising Food Smells	Recognize different food scents.	Design Technology Building a Balanced Meal	Recognize different types of food.
	Computing Creating Simple Digital Content	Selecting between two colours to "fill" an area.	Computing Creating Simple Digital Content	Adding sounds or music to pictures.	Computing Creating Simple Digital Content	Making a simple animation using a basic tool (e.g., Scratch Jr.).
	Religious Education Christianity - Easter & New Life	Listening to church bells and Easter hymns.	Religious Education Christianity - Easter & New Life	Matching Easter traditions (egg rolling, hot cross buns, sunrise services).	Religious Education Christianity - Easter & New Life	Exploring the origins of Easter traditions.
	Key events / trips		Key events / trips		Key events / trips	
KEY STAGE 2	English	Fairy Tales – <i>The Gingerbread Man Little Red Riding Hood</i> (sensory stories) Following simple instructions: recipes/healthy eating (link to Science) & Easter crafts	English	Fairy Tales – <i>The Little Red Hen & Mr Wolf's Pancakes</i> Instructions: recipes/healthy eating (link to Science) & Easter crafts	English	Fairy Tales – <i>The Jolly Postman</i> and associated traditional tales Instructions: recipes/healthy eating (link to Science) & Easter crafts
	Maths	Exploring Positional Awareness: Sensory exploration of "in," "out," "on," and "under."	Maths	Shapes and Patterns	Maths	Shapes and Patterns
	PSED Changing Bodies	Match tactile items (e.g., toothbrush, washcloth) to hygiene routines.	PSED Changing Bodies Understanding physical changes	Learn about hygiene routines (e.g., washing hands) through role-play.	PSED Changing Bodies Understanding physical changes	Discuss the importance of cleanliness and body care.

	Understanding physical changes and personal hygiene		and personal hygiene		and personal hygiene	
RSE	Mental Health & Wellbeing	Recognising emotions in self and others.	RSE	Mental Health & Wellbeing	Recognising emotions in self and others.	Recognising emotions in self and others.
P.E	Obstacle Exploration: Using ramps, mats, and tunnels for navigating sensory obstacle courses.	P.E	Throwing and Catching: Practicing accuracy and movement.	P.E	Outdoor and Adventurous Activities: Navigating spaces, map reading, and problem-solving.	
Science	Exploring Different Sounds We Make	Recognize that bodies make different sounds.	Science	Understanding the Five Senses	Recognize how we explore the world.	Science The Five Senses and Their Importance Recognize how senses help us.
History	Marie Curie (Science & Medicine Discoveries):	Recognize that some people find new ways to make us healthy.	History	Marie Curie (Medicine Discoveries)	Recognising people who work in science.	History Marie Curie (Discoveries in Medicine) Learn about people who made scientific discoveries.
Design Technology	Exploring Soft and Crunchy Foods	Recognize different textures of food.	Design Technology	Exploring Soft and Crunchy Foods	Recognize different textures of food.	Design Technology Understanding How We Prepare Food Safely Learn basic food hygiene skills.
Computing	Creating Simple Digital Content	Using simple drag-and-drop actions to complete a basic image.	Computing	Creating Simple Digital Content	Creating a sequence of images to tell a story.	Computing Creating Simple Digital Content Recording and editing a short voice or video message.
Religious Education	Christianity - Easter & New Life	Feeling textured crosses and exploring symbols of Easter (eggs, lambs, lilies).	Religious Education	Christianity - Easter & New Life	Feeling textured crosses and exploring symbols of Easter (eggs, lambs, lilies).	Religious Education Christianity - Easter & New Life Learning the story of Jesus' resurrection in simple terms.
	Key events / trips			Key events / trips		

KEY STAGE 3	English	Fairy Tale – <i>Jack and the Beanstalk</i> <i>The Three Billy Goats Gruff</i> (sensory story) Following simple instructions: PE/games (link to Science) & Easter crafts	English	Fairy Stories – <i>The True Story of the 3 Little Pigs</i> Instructions: PE/games (link to Science) & Easter crafts	English	Fairy Tales – The Villains: <i>The Diary of a Big Bad Wolf</i> <i>Inside the Villains</i> Instructions: PE/games (link to Science) & Easter
	Maths	Exploring Positional Awareness : Sensory exploration of "in," "out," "on," and "under."	Maths	Shapes and Patterns	Maths	Symmetry and patterns
	RSE/PSED Changing Bodies Understanding physical changes and personal hygiene	Recognize sensory cues for basic self-care (e.g., the feel of a soft towel).	RSE/PSED Changing Bodies Understanding physical changes and personal hygiene	Discuss changes in the body using simple visuals.	RSE/PSED Changing Bodies Understanding physical changes and personal hygiene	Explore body changes through role-play and visuals.
	RSE Mental Health & Wellbeing	Coping strategies for anxiety, stress, peer issues.	RSE Mental Health & Wellbeing	Coping strategies for anxiety, stress, peer issues.	RSE Mental Health & Wellbeing	Coping strategies for anxiety, stress, peer issues.
	P.E	Obstacle Exploration : Using ramps, mats, and tunnels for navigating sensory obstacle courses.	P.E	Throwing and Catching : Practicing accuracy and movement.	P.E	Outdoor and Adventurous Activities : Navigating spaces, map reading, and problem-solving.
	Science Recognising Hot and Cold Sensations	Understand how temperature affects the body.	Science Why Exercise Is Important	Recognize that movement keeps us strong. Match activities (e.g., running, stretching, sleeping) to their benefits using structured communication (e.g., "Exercise makes us strong").	Science The Importance of Nutrition	Recognize how food fuels the body.
	History Alexander Fleming (Antibiotics & Medicine) :	Recognising how medicine makes us feel better. Recognize that medicine comes from discoveries.	History Alexander Fleming (Antibiotics)	(Understanding medicine vs. illness.): Look at images of medicine helping sick people.	History Understanding how medicine was invented.	Alexander Fleming (Antibiotics): Recognize that new medicines were developed to help people.
	Design Technology	Identify food temperature differences.	Design Technology	Identify food temperature differences.	Design Technology	Learn how to prepare a simple dish.

	Recognising Warm vs. Cold Foods		Recognising Warm vs. Cold Foods		Making a Simple Healthy Meal	
	Computing Creating Simple Digital Content	Following a model to create a digital picture.	Computing Creating Simple Digital Content	Editing simple videos (e.g., cutting clips, adding subtitles).	Computing Creating Simple Digital Content	Creating an interactive multimedia project.
	Religious Education Christianity - Easter & New Life	Watching videos of Easter celebrations (egg hunts, parades, church services).	Religious Education Christianity - Easter & New Life	Watching videos of Easter celebrations (egg hunts, parades, church services).	Religious Education Christianity - Easter & New Life	Exploring how Easter is celebrated in different Christian traditions.
	Key events / trips		Key events / trips		Key events / trips	
KEY STAGE 4	English	Fairy Tale – <i>Hansel and Gretel</i> (sensory story) Following simple instructions: link to PSED – hygiene tasks	English	Fairy Stories - <i>Jack and the Beanstalk/The Giant of Jum/Jack and the Baked Beanstalk</i> Instructions: link to Science/PSED – healthy habits/self-care	English	Fairy Tale – <i>Hansel and Gretel</i> comparison Instructions: link to Science/PSED – healthy lifestyles, self-care, physical activities & mental well-being activities
	Maths	Exploring Positional Awareness : Sensory exploration of "in," "out," "on," and "under."	Maths	Shapes and Patterns	Maths	Symmetry and patterns
	RSE/PSED Changing Bodies Understanding physical changes and personal hygiene	Practice hygiene tasks like holding soap or brushing teeth with guidance.	RSE/PSED Changing Bodies Understanding physical changes and personal hygiene	Reflect on hygiene responsibilities and body changes with support.	RSE/PSED Changing Bodies Understanding physical changes and personal hygiene	Discuss puberty, hygiene, and self-care routines in a supported environment.
	RSE Mental Health & Wellbeing	Recognising mental health conditions, accessing professional help.	RSE Mental Health & Wellbeing	Recognising mental health conditions, accessing professional help.	RSE Mental Health & Wellbeing	Recognising mental health conditions, accessing professional help.
	P.E	Obstacle Exploration : Using ramps, mats, and tunnels for navigating sensory obstacle courses.	P.E	Throwing and Catching : Practicing accuracy and movement.	P.E	Outdoor and Adventurous Activities : Navigating spaces, map reading, and problem-solving.
	Science Basic Movements and How Bodies Move	Recognize how the body moves. Engage in sensory movement activities such as bouncing, stretching,	Science The Role of Food in Staying Healthy	Recognize that food helps the body grow. Use supported communication methods to describe healthy habits (e.g.,	Science How Exercise Helps the Body Stay Strong	Recognize the benefits of being active. Investigate how healthy eating, physical activity, and mental well-being contribute to a healthy lifestyle, using real-life

		and gentle vibration (e.g., therapy balls, rocking).		“Drinking water is good for my body”).		examples and role-play activities.
	History Joseph Lister (Clean Hands & Hygiene):	Recognising why washing hands is important. Recognize that keeping clean helps us stay well.	History Joseph Lister (Hygiene and Safety)	Understanding handwashing and germs.	History Joseph Lister (Hygiene and Safety in Surgery):	Understanding why handwashing and hygiene matter. Recognize that hospitals and cleanliness improved over time.
	Design Technology Sorting Healthy and Unhealthy Foods	Recognize basic food groups.	Design Technology Sorting Healthy and Unhealthy Foods	Recognize basic food groups.	Design Technology Planning a Meal Using the Food Pyramid	Understand how to balance meals.
	Computing Creating Simple Digital Content	Following a model to create a digital picture.	Computing Creating Simple Digital Content	Creating a short digital slideshow or storybook.	Computing Creating Simple Digital Content	Combining different digital media to create a presentation.
	Religious Education Christianity - Easter & New Life	Experiencing the concept of renewal through planting seeds and watching them grow.	Religious Education Christianity - Easter & New Life	Experiencing the concept of renewal through planting seeds and watching them grow.	Religious Education Christianity - Easter & New Life	Comparing Easter to other festivals celebrating renewal (Holi, Passover).
	Key events / trips		Key events / trips		Key events / trips	

CYCLE 2: TERM 5: WONDERFUL WORLD OF PLANTS (SCIENCE, GEOGRAPHY, ART and RELIGIOUS EDUCATION)

(Code-)

	Sensory Pathway		Communication Pathway		Core Pathway	
EYFS	English	Sensory garden story Garden board books	English	Books on a theme – growing/plants/gardens	English	Books on a theme – growing/plants/gardens
	Maths	Exploring Biggest and Smallest : Sorting and comparing sizes with sensory props.	Maths	Counting and Sharing	Maths	Counting and Sharing
	PSED Online Safety Recognising safe and unsafe online behaviours.	React to sensory safety cues like red and green light-up toys.	PSED Online Safety Recognising safe and unsafe online behaviours.	Match “safe” and “unsafe” symbols to tactile props.	PSED Online Safety Recognising safe and unsafe online behaviours.	Recognize safety visuals like stop signs through sensory exploration.
	RSE Social Skills & Building Independence	Turn-taking, sharing, following simple instructions.	RSE Social Skills & Building Independence	Turn-taking, sharing, following simple instructions.	RSE Social Skills & Building Independence	Turn-taking, sharing, following simple instructions.
	P.E	Strength and Balance : Practicing standing or assisted balance exercises.	P.E	Relay Games : Practicing baton passing and running.	P.E	Dance : Creating sequences with rhythm and expression.
	Science Experiencing Natural Textures of Plants	Explore textures (e.g., soft petals, rough bark), smells (e.g., lavender, mint), and natural colours.	Science Sorting Living and Non- Living Things	Explore a range of plants and soil, practise watering plants. Identify that plants are alive, but rocks are not.	Science Sorting Plants and Non- Plants	Identify that plants grow, but objects do not.
	Geography Experiencing Different Natural Surfaces	React to different natural environments.	Geography Sorting Plants from Different Climates	Recognize that plants grow in different places.	Geography Sorting Different Plant Types	Identify that different plants grow in different places.
	Art Exploring Leaf and Flower Textures	React to different plant textures.	Art Feeling Plant-Based Textures	Sensory-based: Explore different textures using natural objects.	Art Sorting Plant Colours	Exploring colour variation: Recognize different greens, yellows, and browns.
	Computing Introduction to Coding Concepts	Reacting to a cause-and-effect toy.	Computing Introduction to Coding Concepts	Selecting a direction for an on- screen object to move.	Computing Introduction to Coding Concepts	Understanding basic programming commands.
	Religious Education Hinduism - Sacred Trees & Plants	Touching Tulsi plant leaves (sacred in Hinduism).	Religious Education Hinduism - Sacred Trees & Plants	Recognising plants in Hindu worship (coconut, lotus, Tulsi).	Religious Education Hinduism - Sacred Trees & Plants	Understanding Hindu beliefs about nature and spirituality.
	Key events / trips	-	Key events / trips	-	Key events / trips	-
KS1	English	Sensory growing story Growing board books	English	Fiction/information texts & poems on a theme – growing/plants/gardens	English	Fiction/information texts & poems on a theme – growing/plants/gardens

	Maths	Exploring Biggest and Smallest: Sorting and comparing sizes with sensory props.	Maths	Counting and Sharing	Maths	Counting and Sharing
	PSED Online Safety Recognising safe and unsafe online behaviours.	Explore textured safety symbols for stop (e.g., rough signs).	PSED Online Safety Recognising safe and unsafe online behaviours.	Begin recognising safe spaces and items through guided exploration.	PSED Online Safety Recognising safe and unsafe online behaviours.	Identify basic safe actions, like asking an adult before clicking.
	RSE Social Skills & Building Independence	Turn-taking, sharing, following simple instructions.	RSE Social Skills & Building Independence	Turn-taking, sharing, following simple instructions.	RSE Social Skills & Building Independence	Turn-taking, sharing, following simple instructions.
	P.E	Strength and Balance: Practicing standing or assisted balance exercises.	P.E	Relay Games: Practicing baton passing and running.	P.E	Relay Games: Practicing baton passing and running.
	Science Recognising Plant Growth	Recognize that plants start as seeds. Explore soil and seeds using sensory trays.	Science Basic Parts of a Plant	Use visual aids, symbols, or PECS to match plant parts with their names.	Science Basic Parts of a Plant and Recognising Different Types of Plants and life cycle of a plant.	Identify and match basic plant parts (e.g., leaf, stem, flower) using images, models, and real plants. Recognize that trees, flowers, and bushes are different.
	Geography Exploring Plants in Hot and Cold Climates	Recognize temperature differences.	Geography Recognising Different Plant Landscapes	Identify that some plants grow in forests, some in deserts.	Geography Recognising Forests, Deserts, and Jungles	Understand that different environments exist.
	Art Recognising the Feeling of Plants and Soil	Recognize differences between rough and smooth.	Art Exploring Colours of Flowers and Leaves	Observing natural colours: Recognize basic colours in nature.	Art Drawing Simple Plants	Observational drawing: Recognize that plants grow in different shapes.
	Computing Introduction to Coding Concepts	Reacting to a cause-and-effect toy.	Computing Introduction to Coding Concepts	Creating a simple movement sequence.	Computing Introduction to Coding Concepts	Using a block-based coding language to create a small project.
	Religious Education Hinduism - Sacred Trees & Plants	Smelling flowers used in Hindu prayers.	Religious Education Hinduism - Sacred Trees & Plants	Matching flowers with Hindu deities.	Religious Education Hinduism - Sacred Trees & Plants	Examining religious traditions involving plants and trees.
	Key events / trips		Key events / trips		Key events / trips	
KS2	English	Sensory growing story Growing board books	English	Fiction/information texts & poems on a theme – growing/plants/gardens	English	Fiction/information texts & poems on a theme – growing/plants/gardens
	Maths	Exploring Biggest and Smallest: Sorting and comparing sizes with sensory props.	Maths	Counting and Sharing	Maths	4 Operations Fractions
	PSED Online Safety Recognising safe and unsafe online behaviours.	Match tactile objects (e.g., shields for protection) to visuals about safety.	PSED Online Safety Recognising safe and unsafe online behaviours.	Discuss safe vs. unsafe online actions using simple visuals.	PSED Online Safety Recognising safe and unsafe online behaviours.	Explore basic online rules using stories or visual guides.

	RSE Social Skills & Building Independence	Developing friendships, teamwork skills.	RSE Social Skills & Building Independence	Developing friendships, teamwork skills.	RSE Social Skills & Building Independence	Developing friendships, teamwork skills.
	P.E	Strength and Balance: Practicing standing or assisted balance exercises.	P.E	Relay Games: Practicing baton passing and running.	P.E	Dance: Creating sequences with rhythm and expression.
	Science Sorting Living and Non-Living Objects	Explore sensory bins with soil, leaves, and flowers and non objects. React to plant-based stimuli (e.g., touching soil vs. smooth petals).	Science What Plants Need to Grow	Recognize that plants need water, sunlight, and soil. Use simple communication strategies (e.g., "Plants need water" using symbols or key words).	Science Understanding how to care for plants.	Explore how plants grow with simple experiments (e.g., placing seeds in different environments and observing growth).
	Geography Recognising Wet and Dry Landscapes	Experience water and dry textures.	Geography How Weather Affects Plants	Recognize that rain helps plants grow.	Geography How Climate Affects Plant Growth	Recognize that plants need certain weather to survive.
	Art Exploring the Smells of Different Plants	React to different plant-based scents.	Art Creating Marks with Leaves	Simple texture recognition: Recognize how leaves create marks.	Art Exploring Botanical Drawings	Detailed plant drawings: Observe plant shapes and lines.
	Computing Introduction to Coding Concepts	Pressing a single button to activate movement.	Computing Introduction to Coding Concepts	Recognising patterns in digital games.	Computing Introduction to Coding Concepts	Solving problems with simple debugging.
	Religious Education Hinduism - Sacred Trees & Plants	Listening to Hindu chants	Religious Education Hinduism - Sacred Trees & Plants	Exploring how Hindu temples	Religious Education Hinduism - Sacred Trees & Plants	Exploring the role of the Ganges River in Hindu rituals.
	Key events / trips		Key events / trips		Key events / trips	
KS3	English	Sensory growing story Growing sensory books	English	Fiction/information texts & poems on a theme – growing/plants/gardens	English	Fiction/information texts & poems on a theme – growing/plants/gardens
	Maths	Exploring Biggest and Smallest: Sorting and comparing sizes with sensory props.	Maths	Multiplication and division	Maths	4 Operations Fractions
	PSED Online Safety Recognising safe and unsafe online behaviours.	Respond to sensory prompts for online boundaries, like tactile "stop" zones.	PSED Online Safety Recognising safe and unsafe online behaviours.	Explore personal boundaries online through role-play or tactile props.	PSED Online Safety Recognising safe and unsafe online behaviours.	Discuss risks online, like scams or inappropriate content.
	RSE Social Skills & Building Independence	Handling disagreements, problem-solving.	RSE Social Skills & Building Independence	Handling disagreements, problem-solving.	RSE Social Skills & Building Independence	Handling disagreements, problem-solving.
	P.E	Strength and Balance: Practicing standing or assisted balance exercises.	P.E	Relay Games: Practicing baton passing and running.	P.E	Dance: Creating sequences with rhythm and expression.
	Science Recognising Water's Role in Plant Growth	React to the difference between dry seeds and sprouted plants through touch and smell. Water plants and observe changes over time.	Science Comparing Different Types of Plants	Recognize that some plants are small, and some are big.	Science Exploring Plants That Grow in Extreme Environments	Recognize how plants survive in hot and cold places.

	Geography Exploring Plant Sounds in Different Environments	React to different natural sounds.	Geography Where Plants Grow in the World	Recognize that plants grow in different countries.	Geography The World's Most Unusual Plants	Recognize how plants adapt to survive.
	Art Recognising Light and Dark in Plants' Growth	Recognize that plants need sunlight.	Art Exploring Leaf and Flower Shapes	Observational awareness: Recognize different plant shapes.	Art Studying Ernst Haeckel's Detailed Plants	Realistic plant illustration: Recognize intricate details in plants.
	Computing Introduction to Coding Concepts	Pressing a single button to activate movement.	Computing Introduction to Coding Concepts	Using a basic drag-and-drop programming tool.	Computing Introduction to Coding Concepts	Exploring real-world coding applications (apps, websites, AI).
	Religious Education Hinduism - Sacred Trees & Plants	Exploring Hindu temple gardens and sacred rivers.	Religious Education Hinduism - Sacred Trees & Plants	Understanding how Hindu temples protect wildlife.	Religious Education Hinduism - Sacred Trees & Plants	Investigating the role of rivers and sacred groves in Hindu culture.

KS4	English	Sensory growing story Growing sensory books	English	Fiction/information texts & poems on a theme – growing/plants/gardens	English	Fiction/information texts & poems on a theme – growing/plants/gardens
	Maths	Exploring Biggest and Smallest : Sorting and comparing sizes with sensory props.	Maths	Multiplication and division	Maths	4 Operations Fractions
	PSED Online Safety Recognising safe and unsafe online behaviours.	Explore tactile safety boards about online rules (e.g., secure passwords).	PSED Online Safety Recognising safe and unsafe online behaviours.	Reflect on online safety strategies and practice identifying safe websites or apps.	PSED Online Safety Recognising safe and unsafe online behaviours.	Develop a personal online safety plan using simple visuals and strategies.
	RSE Social Skills & Building Independence	Workplace etiquette, professional relationships, self-advocacy.	RSE Social Skills & Building Independence	Workplace etiquette, professional relationships, self-advocacy.	RSE Social Skills & Building Independence	Workplace etiquette, professional relationships, self-advocacy.
	P.E	Strength and Balance : Practicing standing or assisted balance exercises.	P.E	Relay Games : Practicing baton passing and running.	P.E	Relay Games : Practicing baton passing and running.
	Science Understanding Different Plant Shapes and Sizes	Engage with sensory props showing how plants help people (e.g., feeling fruit skins, smelling herbal plants used in cooking).	Science Understand plant life cycle.	Match simple plant growth stages (e.g., seed → sprout → flower) using pictures and simplified language.	Science How Plants Are Used for Medicine and Food	Investigate how plants provide oxygen, food, and materials through practical examples (e.g., "Trees give us paper"). Understand the importance of plants in daily life.
	Geography Experiencing Movement in Plant Environments	Recognize that plants move in the wind.	Geography Why Some Plants Are Special to Certain Places	Recognize that some plants only grow in certain climates.	Geography The Impact of Humans on Plant Life	Understand how humans affect plant life.
	Art Exploring How Water Feels on Plants	Recognize that plants need water.	Art Exploring Soft and Hard Natural Objects in Art	Texture comparison: Recognize different textures used in nature art.	Art Creating a Mixed Media Plant Artwork	Combining textures and colours: Experiment with layers in plant art.
	Computing Introduction to Coding Concepts	Pressing a single button to activate movement.	Computing Introduction to Coding Concepts	Understanding how simple commands build a larger sequence.	Computing Introduction to Coding Concepts	Understanding how programming is used in everyday technology.

	Religious Education Hinduism - Sacred Trees & Plants	Understanding the spiritual role of nature in Hindu beliefs.	Religious Education Hinduism - Sacred Trees & Plants	Understanding the spiritual role of nature in Hindu beliefs.	Religious Education Hinduism - Sacred Trees & Plants	Understanding the spiritual role of nature in Hindu beliefs.

CYCLE 2: TERM 6:

HISTORY'S MYSTERIES: HOW DID THAT HAPPEN? (HISTORY, SCIENCE, ART and RELIGIOUS EDUCATION)

(Code-)

	Sensory Pathway		Communication Pathway		Core Pathway	
EYFS	English	Stories about kings & queens Simple recounts	English	Stories about kings & queens Simple recounts	English	Stories about kings & queens Simple recounts
	Maths	Exploring Simple Sorting : Tactile sorting of objects by basic attributes (e.g., size or texture).	Maths	Money Awareness	Maths	Money Awareness
	RSE/PSED Relationships Building trust and understanding different types of relationships.	React to sensory props representing trust (e.g., soft, calming toys)	RSE/PSED Relationships Building trust and understanding different types of relationships.	Match visuals of family or friends to tactile props (e.g., a doll for family).	RSE/PSED Relationships Building trust and understanding different types of relationships.	Recognize immediate relationships (e.g., parent, sibling) using photos.
	RSE Staying Safe & Managing Risk	Recognising hazards (fire, water, roads).	RSE Staying Safe & Managing Risk	Recognising hazards (fire, water, roads).	RSE Staying Safe & Managing Risk	Recognising hazards (fire, water, roads).
	P.E	Sensory Relaxation : Pairing yoga with tactile sensory inputs (e.g., textured mats, resistance bands).	P.E	Fitness and Agility : Combining running, skipping, and balancing in circuits.	P.E	Athletics : Practicing running, jumping, and throwing techniques.
	History Washing Clothes in the Past	Feel rough scrubbing brushes vs. soft modern fabric, splash water, smell old-fashioned soap.	History <i>Early Homes – Caves to Castles</i>	Recognising differences in building materials. Matching "old" vs. "new" objects (candles vs. lightbulbs).	History Knights and dragons	Know some similarities and differences between the past and now. Listen to simple medieval music and hear knight stories.
	Science Exploring Different Textures	Feeling smooth vs. rough objects (stones, clay, wood).	Science Materials Used in Homes	Feeling rough (brick), smooth (glass), and soft (fabric).	Science Knights and dragons	Materials Used in Castles – Strength and Protection.
	Art Prehistoric Cave Markings	Using fingers and natural pigments to create marks on textured paper.	Art Making Simple Markings (Cave Paintings)	Explore simple mark-making techniques with different materials. Using dark and light-coloured paints to explore contrast.	Art Knights and dragons	Use drawing, painting, and sculpture to share ideas, experiences, and imagination.
	Computing Cybersecurity & Digital Independence	Recognising when something "doesn't look right" on a screen.	Computing Cybersecurity & Digital Independence	Recognising personal information (name, address, age).	Computing Cybersecurity & Digital Independence	Learning how to create strong passwords.
	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Exploring Eid decorations, fabrics, and patterns.	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Exploring Eid decorations, fabrics, and patterns.	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Recognising symbols of Eid (crescent moon, mosque, gifts, family meals).
	Key events / trips	-	Key events/trips	-	Key events / trips	-
KS1	English	Sensory story based on kings/queens	English	Stories about kings & queens – The King's Pants Simple recounts	English	Stories about kings & queens – The King's Pants Simple recounts

	Maths	Exploring Simple Sorting : Tactile sorting of objects by basic attributes (e.g., size or texture).	Maths	Money Awareness	Maths	Money Awareness
	PSED Relationships Building trust and understanding different types of relationships.	Explore tactile symbols for relationships (e.g., hearts for love, hands for friendship).	PSED Relationships Building trust and understanding different types of relationships.	Identify positive behaviours in relationships (e.g., helping others).	PSED Relationships Building trust and understanding different types of relationships.	Identify actions that build or harm relationships (e.g., sharing vs. fighting).
	RSE Staying Safe & Managing Risk	Recognising hazards (fire, water, roads).	RSE Staying Safe & Managing Risk	Recognising hazards (fire, water, roads).	RSE Staying Safe & Managing Risk	Recognising hazards (fire, water, roads).
	P.E	Sensory Relaxation : Pairing yoga with tactile sensory inputs (e.g., textured mats, resistance bands).	P.E	Fitness and Agility : Combining running, skipping, and balancing in circuits.	P.E	Athletics : Practicing running, jumping, and throwing techniques.
	History Making Bread in the Past	Feel flour, smell yeast, touch warm bread, hear the sound of grinding grain.	History Recognising Famous Landmarks	The Pyramids of Egypt – Building and Matching pyramid shapes to buildings.	History The Great Pyramids of Egypt	Recognise the past is different from today and understand how people lived.
	Science Basic Reactions (Mixing)	Explore mixing textures (flour and water to make dough).	Science Pyramids materials	Understand that different materials have different properties. Provide tactile materials for hands-on exploration.	Science The Great Pyramids of Egypt	Understand how shapes affect stability and strength in structures.
	Art Cave Painting Exploration	Exploring how art techniques developed over time.	Art Exploring Egyptian Art	Recognise and explore simple shapes in artwork. Creating simple patterns based on Egyptian symbols.	Art The Great Pyramids of Egypt	Develop control and creativity using a variety of materials and techniques.
	Computing Cybersecurity & Digital Independence	Recognising when something "doesn't look right" on a screen.	Computing Cybersecurity & Digital Independence	Understanding when to ask for help online.	Computing Cybersecurity & Digital Independence	Recognising phishing emails and fake websites.
	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Listening to the Takbir prayer and joyful Eid music.	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Matching Eid traditions (prayer, giving charity, wearing new clothes).	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Exploring the Five Pillars of Islam and how Eid fits in.
	Key events / trips		Key events / trips		Key events / trips	
KS2	English	Sensory story based on historical events/people Simple recounts	English	Stories about historical events/people – <i>The Queen Collection</i> (S Antony) Recounts	English	Stories about historical events/people – <i>Queen Victoria's Bathing Machine</i> Recounts
	Maths	Exploring Simple Sorting : Tactile sorting of objects by basic attributes (e.g., size or texture).	Maths	Money Awareness	Maths	Money and Independence
	PSED Relationships Building trust and understanding different types of relationships.	Match tactile items to visual representations of relationships (e.g., family, friends).	PSED Relationships Building trust and understanding different types of relationships.	Discuss how to build trust through simple activities like sharing toys.	PSED Relationships Building trust and understanding different types of relationships.	Learn about positive and negative relationship traits.

	RSE Staying Safe & Managing Risk	Stranger awareness, saying no.	RSE Staying Safe & Managing Risk	Stranger awareness, saying no.	RSE Staying Safe & Managing Risk	Stranger awareness, saying no.
	P.E	Sensory Relaxation: Pairing yoga with tactile sensory inputs (e.g., textured mats, resistance bands).	P.E	Fitness and Agility: Combining running, skipping, and balancing in circuits.	P.E	Athletics: Practicing running, jumping, and throwing techniques.
	History First Campfires (Stone Age Life)	- Listen to crackling fire sounds, feel warm vs. cool stones, smell wood smoke.	History The Great Fire of London	Identify key historical events and why they were important.	History Chichen Itza	Identify key historical places and events and why they are important. How the Mayans built stone pyramids without modern tools.
	Science Understanding hot and cold	Feeling warm air from a heater vs. cool water on hands.	Science	Recognise that heat can change materials.	Science Chichen Itza	Recognise that some materials change over time.
	Art Stone Age Art	Understanding how colour is used in artwork. Use fingers and sponges to create earthy, textured paintings.	Art The Great Fire of London	Understand how colour can represent emotions or events.	Art Chichen Itza	Improve mastery of techniques including drawing and painting.
	Computing Cybersecurity & Digital Independence	Recognising when something "doesn't look right" on a screen.	Computing Cybersecurity & Digital Independence	Recognising signs of online scams and fake profiles.	Computing Cybersecurity & Digital Independence	Understanding how online data is stored and shared.
	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Feeling soft prayer mats and crescent moon symbols.	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Matching Eid traditions (prayer, giving charity, wearing new clothes).	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Investigating how Muslims prepare for and celebrate Eid.
	Key events / trips		Key events / trips		Key events / trips	
KS3	English	Sensory story based on historical events/people Simple recounts	English	Stories about historical events/people Recounts	English	Stories about historical events/people Recounts
	Maths	Exploring Simple Sorting: Tactile sorting of objects by basic attributes (e.g., size or texture).	Maths	Money Awareness	Maths	Money and Independence
	PSED Relationships Building trust and understanding different types of relationships.	Respond to sensory role-play about friendships.	PSED Relationships Building trust and understanding different types of relationships.	Reflect on ways to maintain friendships using props or visuals.	PSED Relationships Building trust and understanding different types of relationships.	Reflect on how trust and respect strengthen relationships.
	RSE Staying Safe & Managing Risk	Risk-taking in adolescence (peer pressure, personal safety)	RSE Staying Safe & Managing Risk	Risk-taking in adolescence (peer pressure, personal safety)	RSE Staying Safe & Managing Risk	Risk-taking in adolescence (peer pressure, personal safety)
	P.E	Sensory Relaxation: Pairing yoga with tactile sensory inputs (e.g., textured mats, resistance bands).	P.E	Fitness and Agility: Combining running, skipping, and balancing in circuits.	P.E	Athletics: Practicing running, jumping, and throwing techniques.
	History Victorian Homes	Life in an Old-Fashioned Home (Victorian Kitchens) - Touch wooden spoons, smell herbs, explore old metal pots and pans.	History Moon Landing	Recognise people and events that have shaped history	History The Great Wall of China	Understand how historical structures were used for defence and civilization building.

	Science Light and inventions	Recognising how light changes through different materials.	Science Moon Landing	Recognise that gravity affects movement.	Science The Great Wall of China	Compare the durability of different construction materials.
	Art Creating Shadow Silhouettes	Recognising how light affects artwork. Using objects to create silhouettes with light and shadow.	Art Moon Landing	Recognise how light and shadow create contrast in art.	Art The Great Wall of China	Understand how art reflects different cultures and histories.
	Computing Cybersecurity & Digital Independence	Recognising when something "doesn't look right" on a screen.	Computing Cybersecurity & Digital Independence	Understanding how hackers steal information.	Computing Cybersecurity & Digital Independence	Exploring digital fraud, hacking, and misinformation.
	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Watching videos of Eid prayers and family gatherings.	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Watching videos of Eid prayers and family gatherings.	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Learning the story of Prophet Ibrahim and his sacrifice.
	Key events / trips		Key events / trips		Key events / trips	
KS4	English	Sensory story based on historical events/people Simple recounts	English	Stories about historical events/people Recounts	English	Fiction about historical events/people (Shakespeare) Journalism
	Maths	Exploring Simple Sorting : Tactile sorting of objects by basic attributes (e.g., size or texture).	Maths	Money Awareness	Maths	Money and Independence
	PSED Relationships Building trust and understanding different types of relationships.	Explore sensory stories about building trust and understanding boundaries.	PSED Relationships Building trust and understanding different types of relationships.	Explore the concept of boundaries and mutual respect using stories or discussions.	PSED Relationships Building trust and understanding different types of relationships.	Explore strategies for maintaining healthy relationships through supported activities.
	RSE Staying Safe & Managing Risk	Understanding gang culture, knife crime awareness, emergency response.	RSE Staying Safe & Managing Risk	Understanding gang culture, knife crime awareness, emergency response.	RSE Staying Safe & Managing Risk	Understanding gang culture, knife crime awareness, emergency response.
	P.E	Sensory Relaxation : Pairing yoga with tactile sensory inputs (e.g., textured mats, resistance bands).	P.E	Fitness and Agility : Combining running, skipping, and balancing in circuits.	P.E	Athletics : Practicing running, jumping, and throwing techniques.
	History <i>Early Transport (Horses & Carts, Trains)</i>	Travel in the Past (Horse Hear horse hooves or early steam train sounds, feel vibrations, explore textured materials (leather for horse saddles, smooth metal for trains). & Cart, Early Trains) -	History "Vanished Civilizations & Lost Places"	Explore mysterious locations like Machu Picchu, Atlantis, the Bermuda Triangle, and the Nazca Lines.	History Machu Picchu	Understand how historical places were built and how people adapted to their environment.
	Science Exploring water and ice	Recognising how objects behave in water	Science "The Science Behind Natural Wonders"	investigate scientific explanations for natural mysteries , such as why the Northern Lights happen, how geysers erupt, and how sinkholes form.	Science Machu Picchu	Explore how living organisms adapt to extreme conditions.
	Art Creating Water-Themed Textures	Exploring textures using different materials. Using sponges and soft brushes to create water-themed textures.	Art Symbols of the Past: Ancient Codes & Lost Art"	study historical and cultural symbols (e.g., Mayan glyphs, Egyptian hieroglyphics, cave paintings)	Art Machu Picchu	Improve ability to design and create using a range of artistic techniques.
	Computing	Recognising when something "doesn't look right" on a screen.	Computing	Practicing reporting suspicious messages and content.	Computing	Understanding the risks of oversharing and protecting personal data.

	Cybersecurity & Digital Independence		Cybersecurity & Digital Independence		Cybersecurity & Digital Independence	
	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Experiencing the concept of sharing by participating in a class 'Eid feast'.	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Experiencing the concept of sharing by participating in a class 'Eid feast'.	Religious Education Islam - Eid al-Adha, The Festival of Sacrifice	Discussing how Eid is recognized in multicultural societies.
	Key events / trips		Key events / trips		Key events / trips
