# 2025/2026 – fundraising goal

*To fund enrichment activities that bring awe, wonder, and real-world learning to pupils.*

*This included theatre trips, local visits, whole-school celebration days, animal therapy sessions, VR learning, and life-skills workshops, all designed to promote communication, independence, confidence, and emotional wellbeing.*

# 2025/2026 activities

# 2025/2026 successes & challenges

## Successes:

- Funding enrichment activities for pupils e.g. Secondary London trip
- Received £32.5K in grants and donated £8K for the purchase of a new mini-bus. £2K received to fund school equipment.
- Successful Christmas fundraising activities – over £2,400 raised

## Challenges:

- Cancellation of place at Sonning Common Xmas Fair due to space issues
- Smaller donation from Woodcote Rally
- More hands on deck would mean we could do more

# Planned allocation of funds

*There are no particular purchases scheduled for the upcoming year. A meeting with Priya is set to take place in the weeks after the AGM to discuss and define future objectives. BSA currently has just over £3,000 for charitable expenditure.*
