

Sports Premium Grant 2018 – 2019

The Sports Premium must be used to fund additional and sustainable improvements to the provision of PE and sport for the benefit of primary-aged pupils, in the 2018 to 2019 academic year, to encourage the development of healthy, active lifestyles.

For example, the funding can be used to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competitions
- increase pupils' participation in the School Games
- run sports activities with other schools

Primary PE and Sports Premium 2018 - 2019

Total number of Bishopswood pupils	67
Number of pupils eligible for Sports Premium	31
Primary Sports Grant allocation	£16,310

Requirements of the Primary Sports Grant

Objectives of Sports Premium	<ul style="list-style-type: none">• hire qualified sports coaches to work with teachers and pupils• provide existing staff with training or resources to help them teach PE and sport more effectively• introduce new sports or activities and encourage more pupils to take up sport• support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
Total allocation of Sports Grant funds	£16,260 + £130 left over from 2017 - 18

Summary and Record of Sports Grant Spending 2018 – 2019

Sporting Project	Objective	Cost	Impact of PE Grant for Pupil Outcomes
Judo	For more infants learn to follow some simple rules in the session And for Juniors to learn to work in pairs with their peers or others	£1600	This year pupils from the infants and juniors had a chance to learn Judo. The infants learnt the very basics- sitting on the mat and not picking at it, wearing the suit, listening and then joining in with 'rough and tumble' and coping with falling on the mat. The juniors sometimes came in to work with some of the infants and for others it was a chance for pupils to partner up in physical play in a controlled environment. 
Horse-riding	Pupils to learn to engage with the riding session, accepting the safety rules of wearing the hat and sitting well. Experiencing the enjoyment of being on a horse, and for some pupils to learn the basics of caring for and controlling the horse.	£1500	10 pupils rode, which is an increase on last year. 2 pupils overcame enormous anxiety issues and were very keen to ride and 2 pupils decided that riding just wasn't for them. 5 pupils gained their RDA riding proficiency certificate and rosettes.
Swimming at SCPS	For all infants to have access to weekly swimming sessions and enable some lower juniors to have weekly swimming to develop water confidence, water safety and enjoyment in the pool.	Hire of pool £1400	Due to an increase in class sizes, we were able to hire out 2 swimming sessions over the week which meant that pupils had the chance to swim in either a quiet session which was calm, comforting and incorporated some of the physio exercises within the lesson or in a noisier more physical session. All pupils reached their targets set throughout the year.
Swimming at Gillotts	For all junior pupils swimming at Gillotts, to follow and show progress through the Better schools Swimming Awards programme and for some pupils to have weekly sessions so as to not disrupt their weekly routine.	Teachers and pool £68.50 per session Total £3014 Travelling to and from the pool £40 per session* included 6 taxi bookings for swimming. At £20 / £30 a time Total £880 Should we also include costs for minibus travel?	Pupils reached their individual learning targets linked to swimming

<p>Attendance at PE competitions</p>	<p>Book places to compete with other special schools and ensure that there is adequate staffing to ensure safety off site. Use Fleet minibuses to enable attendance</p>	<p>Travelling expenses Hire cost £140 Using school minibus and hired 1 fleet bus</p>	<p>3 junior teams attended the Panathlon event competing with other local special schools all were awarded medals and one of the teams achieved overall second. Pupils with severe autism who could have shown anxiety and challenging behaviours were also fully supported to join in this year.</p> 
<p>Attendance at all inclusive events</p>	<p>Book places to compete with other special schools and ensure that there is adequate staffing to ensure safety off site. Use Fleet minibuses to enable attendance</p>	<p>£250 booking fee to carry over for next year</p>	<p>A class of Junior pupils went Bell boating on the river Thames. Pupils were nervous to begin with and 2 pupils toyed with the idea of getting out but then they relaxed and by the end they were making good efforts to paddle their boats.</p>
<p>Purchase of new sports equipment and equipment for active play sessions</p>	<p>To encourage more physical activity at play times and as positive choice and rewards throughout the day</p>	<p>£600</p>	 <p>Medals for sports day, bikes for the playground ball and space hopper for active playtimes.</p>
<p>Cycling Training Bikeability</p>	<p>For some juniors to develop safety awareness whilst riding bikes and achieving level 1 or 2 of a road riding course</p>	<p>£1000</p>	<p>Unfortunately this had to be cancelled due to staff sickness but it will be carried forward to 2019-20.</p>
<p>Football training</p>	<p>For staff to work alongside the coach to adapt and breakdown activities to engage all pupils.</p>	<p>£1680</p> 	<p>Great sessions. The juniors really look forward to football. The coach was able to work in an enclosed area so pupils with anxiety were able to dip in and out as they needed whilst still keeping safe. The infants were also able to have weekly sessions and groups sizes meant that all pupils were engaged.</p> 
<p>PE training for teachers</p>	<p>Focussing on Dance, Gymnastics and tennis</p>	<p>£750</p>	<p>An inset training day on Dance took place for all staff. They had to plan, adapt and feel more confident supporting dance. The coach was then invited back to work with a class group and demonstrate how an actual dance session could be taught. The gymnastics training is planned for next year.</p>

Staff training Swim England support teacher of school swimming and water safety for supporting pupils whilst in the shallow onsite pool and for supporting the swimming teacher with a level 2 swimming qualification who is leading the session	A minimum of 2 staff members per session need to have this training to comply with Oxfordshire safe practice in school policy 2018	£1000	2 teachers completed swimming qualifications but have now left the school so more training is needed. Currently we have one swimming teacher who over sees all swimming sessions and there are also 2 additional swimming coaches bought in swimming with the Juniors.
Staff training Train 2 teachers Swim England teacher of school swimming and water safety	Teachers teaching swimming need to have this training in order to plan and evaluate sessions to comply with Oxfordshire safe practice in school policy 2018	£500	1 teacher took her training
Maypole dancing	For staff to learn how to teach May pole dancing and For pupils to potentially perform a Maypole dance at the school BBQ	£0	This did not take place however we did have Morris dancers who came in and danced with pupils and families as part of our community links campaign
Chinese Dragon workshop	For pupils to experience different styles of dancing and learn a simple sequence of dance moves.	£399	Pupils were 'wowed' by the dragons face and long body and they learnt simple movements and played follow my leader. It made Chinese new year come to life.
<ul style="list-style-type: none"> Active lunchtimes - 	To employ a coach to upskill LSA's into supporting and then leading with support fun active sessions for the infants during lunchtimes. Initially with Bishopswood pupils only and then with SC pupils as well.	Up to £1170	It was very hard to free up staff to talk to the coaches and then to lead their own small groups. This would be good to expand next year.
<ul style="list-style-type: none"> The PlayMaker Award leadership award 	To introduce Years 5 &6 Bishopswood juniors to the Play makers YST award which would focus Bishopswood pupils and S/C pupils taking turns to take the lead in teaching or developing a new game for smaller children to join in with.	Up to £1170	This proved very successful. Pupils from the special and primary school were able to join in and play ball games and tag games together. This is a new approach to pupils mixing with  each other more.
	total	£16342
